Make a Rainbow Magic mobile

Cut out the fairies and their magical shapes and let them fly! You only need one fairy to start your mobile. Then you can add more fairies as you collect them.

You will need:
- Fairy and her magical shapes (stars, flowers, bubbles, etc)
- Pipe cleaners
- Cotton thread
- PVA glue or glue stick

Tip: Rainbow-coloured pipe cleaners and cotton look especially pretty!

1. Cut out your fairy and her magical shapes. Ask an adult to help.

2. Use a pencil point to make the holes where shown. Ask an adult to help.

3. Cut a 15 cm length of cotton and thread it through the hole at the top of your fairy. Glue the end of the cotton in place behind the fairy.

4. Cut a 20 cm length of cotton. Thread it through the holes in the fairies magical shapes so that they hang in a row. Glue the end of the cotton in place behind the bottom shape.

5. Twist the pipe cleaner to make a loop in the middle.

6. Tie the fairy to one end of the pipe cleaner. Then tie the magical shapes to the other end of the pipe cleaner.

7. Use the loop to hang your mobile.
